Report on Monaghan SPCC Meeting

There was a report on the housing programme for 2025 - 2030.

Everyone who attended the meeting had there say on the matter, Clones, Emyvale, Castleblayney, Ballybay and Carrickmacross, who were all represented.

One of the main topics discussed was the derelict building at Lower Main street, Carrickmacross, which is not owned by Monaghan Co. Council.

It was built 20 years ago by a contractor from Inniskeen and the council is looking into possessing the property.

I, Tom Freeman also represent the Tidy Towns.

Yours sincerely,

Tom Freeman
